Rights Retention Policy for Research Publications

1. Purpose and scope

1.1 Purpose

Brunel University London is committed eF3

Authors should also include the publisher cover letter with all manuscript submissions, which will be supplied to authors by [Open Access](#), Library Services to inform publishers of your intentions.

4. Exceptions and opt out

The University recognises that there may be circumstances in which it may not be appropriate to deposit and share a research article in accordance with the normal position set out in this policy.

Where an author considers that these circumstances may apply, they may submit an opt-out request to openaccess@brunel.ac.uk giving details of the circumstances.
